"A SON OF ANANIAS"
Universal One-Reel Comedy
By Hy Mayer.

A son of Ananias, joins the Liars Club and at a luncheon party is introduced to the other members. Each one tells a story and he is supposed to go them one better. To do this he is forced to tell several stories of his adventures in France and Egypt. They all deal with how he rescues ladies in distress. He proves himself to be a past-master at this as well as at story telling and when he has finished the president, General Hokum, is asked to tell a story that will beat the new member's. Hokum says he can't do it as no member has ever lost his life. He takes the son of Ananias to the window.
